

### **Impact Statement**

A meeting of the SEC committee was held on the 14<sup>th</sup> September 2021 at the school. The impact of the meeting was:

- governors received an overview of the new EYFS Framework and the steps the school had already taken to prepare for its implementation in September 2021
- governors received a report on the data picture across the school for summer 2021 and discussed trends and how these form the basis of some of the school improvement plan priorities for 2021/2022.
- governors reviewed the school's catch-up funding plan, how it has spent the money and its impact so far.
