

A meeting of the resources committee was held on the 20th September 2022 in school. The impact of the meeting was:

- governors looked at plans for the refurbishment of the KS2 playground equipment beginning next month
- governors discussed looking at lettings and continuing to widen lettings in school to generate income
- governors reviewed the budget in light of staff pay increases and rising energy bills

Governors lived out the school's Christian vision by considering the wellbeing of the whole school community in its discussions.
