Reflection Time

'Greater love has no-one than this than to lay down one's life for his friends.'

John 15:13

This week in our worship, we have been looking at remembrance. We talked about the meaning of the poppy and why it is important to remember those who have fought and died in conflict. We also talked about remembering those who are currently fighting in wars. Jesus said 'blessed are the peacemakers'. We hope that one day we will see a world of peace.

This week in our Picture News, we looked at the news that animal rescue groups in countries around the world are seeing a jump in the number of animals being brought to their shelters, as household finances are squeezed. One of the main causes is thought to be the cost of living crisis, which has meant many different costs have increased. This includes pet food ingredients such as meat, grains and micro-nutrients, all of which have become more expensive in recent months. The children considered the question, 'Should more be done to help rescue pets?' Our 'Picture News at Home' can be found on the last page of this newsletter.

Fundraiser for Brain Cancer

One of our Y5 pupils and some of his friends will be walking 13 miles from Lytham to Fleetwood to raise money for a relative, who is currently battling brain cancer. The family/friends and public are donating and organising various events to raise money to help with further treatment for both Dave and other patients battling this cancer. If you can help and support one of our pupils with this very worthwhile cause, please use the following link:

Should more be done to help rescue pets?

In the news this week

Animal rescue groups in countries around the world are seeing a jump in the number of animals being brought to their shelters, as household finances are squeezed. One of the main causes is thought to be the cost of living crisis, which has meant many different costs have increased. This includes pet food ingredients such as meat, grains, and micronutrients, all of which have become more expensive in recent months. The BBC reports that, 'The cost of pet food is up by 8.8% in the European Union, and 8.4% in the UK.'

Things to talk about at home ...

- > Do you know anyone who has rescued an animal from a shelter? What do you think are some of the reasons people choose to do this?
- > Is there an animal shelter near where you live? What do you know about it?
