## Headteacher's Message

Some of our junior children went to the MEN Arena in Manchester on Monday to take part in the Young Voices concert. They have been rehearsing for weeks and had an absolutely fantastic time. I know parents enjoyed the performance and atmosphere! A big thank you to all the staff involved with all the practices as well as those who took them and gave up their Monday evening.

This year's book fair proved very popular once again.

Today is the **last day** to sign up for the Valentine's lunch next Wednesday. More details are further on in this newsletter.

Finally, don't forget on Thursday it's our PTFA Valentines Disco. The Infant Disco is 6pm—7pm and the juniors 7:15pm to 8:15pm.

Best wishes,

Mr Ian P. Ashmore

### Reflection Time

*"I am the way, the truth, and the light. No one comes to the Father except through me."*

*John 14:6*

This week in our worship, we talked about the importance of being trusted to tell the truth. We talked about how telling the truth features strongly in all world faiths as well as the Bible, e.g. the Ten Commandments and Jesus' great claim, 'I am the truth'. We discussed the fact that trust is a two-way thing. We must always try to be truthful and trustworthy ourselves.

This week in our Picture News, we looked at the news that Brazil's new president has said he aims to reduce deforestation and help protect the Amazon rainforest. In his first speech, Luiz Inácio da Silva (also known as Lula) promised to make climate protection a priority and explained he wanted to reach zero deforestation in the Amazon. Scientists often call the rainforest the 'lungs of the planet', because of the role it plays in absorbing carbon dioxide and producing oxygen, saying the preservation of the Amazon is vital to stopping climate change. The children considered the question: 'Does the natural world have rights?' Our 'Picture News at Home' can be found on the last page of this newsletter.

The PTFA would love your feedback. The questionnaire can be accessed here:

## Governor Update

A meeting of the Quality of Education committee (previously SEC) was held on the 31st January 2023 in school. The impact of the meeting was:

- Governors received three subject presentations from subject leaders to gain a deeper understanding into what Art and Design, Design Technology and Music looks like for a child at Cop Lane.
- Governors reviewed attendance data for Autumn 2022 and compared it to national primary school percentages.
- Governors received a report on the progress made so far with the current School Improvement Plan.

Governors lived out the school's Christian vision by widening their understanding of subjects taught and subject leader's ambition for every child through the curriculum intent.

# TAKEHOME

Does the natural world have rights?

## In the news this week

Brazil's new president has said he aims to reduce deforestation and help protect the Amazon rainforest. In his first speech, Luiz Inácio da Silva (also known as Lula), promised to make climate protection a priority and explained he wanted to reach zero deforestation in the Amazon. Scientists often call the rainforest the 'lungs of the planet', because of the role it plays in absorbing carbon dioxide and producing oxygen, saying that preservation of the Amazon is vital to stopping climate change.

### Things to talk about at home ...

- Share what you know about the Amazon rainforest with others at home and talk with others about what they know.
- Do you believe enough is being done to protect the Amazon rainforest? Do you think the natural habitats close to where you live are protected?
- Whose responsibility do you consider it is to protect natural habitats?
