Headteacher's Message

On Tuesday, some of our Y5/ Y6 girls played in a South Ribble football tournament at Priory High School. The children played extremely well and we won the competition! Well done to our girls for their fantastic sportswomanship! We are very proud.

On Wednesday we had our school council elections in the hall. Each class came to vote for their class candidates. We now have a new school council and I look forward to working with them this academic year.

This week has also been a week of awards. We have been reaccredited with the Music Mark, which reflects our commitment to music and our strong curriculum. We also welcomed Steph Johnson and Mike Thompson from Lancashire County Council this morning to present our Behaviour Quality Mark Gold. We are the first school in Lancashire to receive the award. An outstanding achievement and one to be very proud of. Well done to team Cop Lane!

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'Serve one another in love.'

Galatians 5:13

This week in our worship, we have looked at using our talents to serve. We discussed what we meant by a talent and how we are all unique with our different gifts and talents. We then discussed how we could use these talents to serve others. We talked about Dame Vera Lynn and how she used her singing talent to support the war effort by lifting the spirits of the troops. We then reflected on this and thought about how we may use our gifts and talents to serve others e.g. we may be a good listener.

This week in our Picture News, we looked at the news that the 2024 edition of the Guinness World Records has been released. This year, over 30,000 applicants submitted their achievements, but only 2638 records were selected for the edition, which features more than 80% new and updated records. The annual collection of records has run since 1955, when it was first inspired by the question 'What's the fastest game bird in Europe?'. It's latest edition is themed around the Blue Planet, with a number of records celebrated, including those set by impressive marine creatures, adventurous sailors and record-breaking lakes, rivers and icescapes. The children considered the question: 'Can anyone break a world record?' Our 'Picture News at Home' can be found on the last page of this newsletter.

Our class attendance figures this week are:

EYFS	98.0
Year 1	98.3
Year 2	97.2
Year 3	98.7
Year 4	95.5
Year 5	98.7
Year 6	95.8

Well done to YEAR 3 and YEAR 5 this week!

Two exciting reading and writing themed competitions you may wish to enter!

Can anyone break a world record?

In the news this week

Things to talk about at home ...

- > Do you know any world records?
- > If you were to attempt a world record, what do you think you would try to do and why?
- > What do you think the benefits would be of setting or breaking a world record?
