Headteacher's Message

Well done to all our Y3 children, who led us in a super class worship on Tuesday. The children were excellent. Reverend Nelson then presented each of them with a Bible. Thank you to St Mary's Church for continuing to donate the Bibles to the school.

Two of our children took part in a golf event yesterday and last week some of our KS1 children took part in a multi-skills event. The children worked really hard and we placed 2nd out of 11 schools. The children were great representatives for the school.

Have a lovely half term break and we'll see you back on the 30th October.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'You can't judge a book by its cover.'

This week in our worship, we have thought about serving by looking at the heart. We heard the story of Samuel when he was trying to search for a new King. Samuel wanted someone strong, tall and courageous. However, God wanted him to choose David, who was the smallest and youngest in his family. God saw that he was the one who would serve and his people best as king. No one is too small, too young or too ordinary to be called by God to serve. We talked about how sometimes we might be quick to judge a book by its cover. However, we need to look on the inside rather than judge others and make assumptions. God loves us all for who we are and we can serve by valuing everyone.

This week in our Picture News, we looked at the news that the tree at the centre of the world-famous 'Sycamore Gap' on Hadrian's Wall, England, has reportedly been deliberately felled on the night of the 28th September and was discovered by walkers the next morning. The National Trust said that it was 'shocked and saddened' by the felling of the tree, which won English Tree of the Year in 2016. The children considered the question: 'How can we remember things that are important to us?' Our 'Picture News at Home' can be found on the last page of this newsletter.

How can we remember things that were important to us?

In the news this week

The tree at the centre of the world-famous 'Sycamore Gap' on Hadrian's Wall, England, has reportedly been deliberately felled on the night of 28th September and was discovered by walkers the next morning. The National Trust said it was 'shocked and saddened' by the felling of the tree, which won English Tree of the Year in 2016.

Things to talk about at home ...

- > Is there a place in your local area that is very special to you? What is it that makes it special?
- > How do you think the people living close to Sycamore Gap will be feeling? How do you believe the legacy of the tree could be remembered?
