Headteacher's Message

I hope that all who celebrated Diwali this last week had a great time. On Monday, Y1 visited the BAPS Shri Swaminarayan Mandir In Preston, which is where some of our school community worship. It was lovely to see how Diwali is celebrated and learn more about it. Y1 were excellent ambassadors for the school.

On Thursday, our Y4 children went to Knowsley Safari Park and our Y5 children to UCLAN. They had great visits, which helped to enrich their learning in classes. Well done for being excellent ambassadors for the school.

Best wishes,

Mr Ian P. Ashmore

Dates for your Diary

23.11.23– Y6 visiting the Museum of Lancashire

01.12.23—African Drumming workshop—whole school

01.12.23—Non-uniform day for PTFA Rainbow Raffle (more details to follow)

PTFA News

A big thank you to everyone for supporting the PTFA Neon Discos. We raised £733 for PTFA funds. A copy of the PTFA newsletter accompanies this newsletter.

Reflection Time

'Let all that you do be done in love.'

1 Corinthians 16:14

This week in our worship, Mrs Hodgson launched our anti-bullying week. We talked about how important it is to tell someone if people are being unkind. Mrs Hodgson talked about kindness and the things we can do to be good friends e.g. smile more, look for ways to encourage others to be kind or invite someone who is alone to join in with a game or chat. We thanked God for our friends and to help us value and respect the things that matter to them and to share with them true friendship in return.

7-Day Kindness Challenge

Monday	Make a card, write a thank you note or draw a picture for someone.	Smile more. It's contagious.	What is the kindest thing someone has ever done for you?
Tuesday	Help to clean up at school and at home too.	Use kind words with everyone you meet.	How do you feel when you do something kind?
Wednesday	Phone up or speak to someone you haven't spoken to in a while.	Always say 'please' and 'thank you'. Show you are grateful.	How can you encourage others to be kind?

Thursday	Invite someone who is alone to join in with a game or chat.	Show someone you are listening by looking at them and being present.	What would it be like if everyone did one kind thing each day?
Friday	Offer to help someone with a task at school or at home.	Always put things back where they belong.	Why is it important to be kind to yourself and others?
Saturday	Do some local litter picking with your family or friends.	Volunteer to help out with any tasks or jobs. Many hands make light work.	What brightens your day?
Sunday	Donate old clothes to charity or raise money for charity.	Offer hugs to cheer people up.	What does kindness teach people?

This week in our Picture News, we looked at the news that a new robot called Digit, designed to be human-like and that is capable of lifting and moving items, is being tested in warehouses of the online retailer, Amazon. The robot is in its first few weeks of trials at Amazon's facility in Seattle, USA, as the company tries to improve automation in its processes. To begin with, the robot is being taught to pick up and move empty boxes to ensure that they are ready to reuse. The yellow boxes, or totes, are used throughout the company's fulfilment process. The children considered the question: 'Are there some jobs robots could never do?' Our 'Picture News at Home' can be found on the last page of this newsletter.

Message from our school council:

Dear parents,

Our school council wants our school environment to be nature friendly. Last year had bird houses made for us/ donated. As the cold weather approaches, we are kindly asking for donations of bird seed (not nuts please) to help our feathered friends.

Thank you.

Emmi on behalf of the school council

School Council Christmas Jumper Appeal

Do you have an old Christmas Jumper that doesn't fit anymore? School council would like to ask for donations of Christmas jumpers that no longer fit or are not wanted. Please donate any unwanted jumpers by **30th November 2023**. If we get enough, they will be on sale in December and the money will be donated to a charity of the school council's choice.

Our class attendance figures this week are :-

EYFS	98.4%
Year 1	94.7%
Year 2	96.2%
Year 3	96%
Year 4	94.8%
Year 5	92%
Year 6	93.5%

Well done to EYFS this week!

TAKEHOME

Are there some jobs robots could never do?

In the news this week

A new robot called Digit, designed to be human-like and that is capable of lifting and moving items, is being tested in warehouses of the online retailer, Amazon. The robot is in its first few weeks of trials at Amazon's facility in Seattle, USA, as the company tries to improve automation in its processes. To begin with, the robot is being taught to pick up and move empty boxes to ensure that they are ready for reuse. The yellow boxes, or totes, are used throughout the company's fulfilment process.

Things to talk about at home ...

- > Do you think that robots will be used more and more in workplaces and homes? If so, what do you feel they will be used for? Why?
- > Make a list of jobs that you think robots would be good at and a list of those that you think people will always be needed for.
