Headteacher's Message

I can't believe that we're at the end of another half term already. It's certainly been a busy one! On Monday, Cop Lane took part in the Young Voices concert at the AO Arena in Manchester. It was my first time attending the event and I have to say the experience was fantastic. The children were excellent ambassadors for Cop Lane. A big thank you to Mrs Dugdale, Mrs Bourne and Mrs Parker for all their hard work supporting the rehearsals for it over the last few months.

Don't forget that the PTFA will be selling Krispy Kreme doughnuts at the end of the day as a nice end of half term treat.

I hope you have a restful half term.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

"Love your neighbour as yourself. There is no commandment greater than these."

Mark 12: 31

This week in our worship we looked at how to be good global neighbours. We heard about Gideon and Timothy from Ghana, who had been helped by the Development Action Association. The land that they farmed was sold to a third party to grow pineapples. The DAA supported them to find new and alternative ways to make a living by snail farming. This generates money for food and education. Whilst eating snails may seem strange to us, many people in countries such as France see them as a delicacy. We talked about how people are having to come up with new and intuitive ways of making a living due to other factors as well such as global warming. We can all make small changes that will make a difference to everyone.

This week in our Picture News, we looked at the news that 45 year-old Mar Galcerán from Spain has become the country's first elected parliamentarian with Down's syndrome. Maria del Mar Galcerán Gadea is thought to be the first person with the genetic disorder to join a European regional or national parliament. She has been involved with politics since she was 18, when she joined Spain's conservative People's Party. Speaking to the media, Mar Galcerán said she wants to be seen as a person, and not for her disability. The children considered the question: 'What makes someone inspirational?' Our 'Picture News at Home' can be found on the last page of this newsletter.

Governor Update

A meeting of the Quality of Education Committee was held on the 6th February 2024 in school. The impact of the meeting was:

- Governors received subject leader updates from the subject leaders for PSHE and computing.
- Governors received an update on the school improvement plan and progress made so far.
- Governors reviewed attendance for the autumn term.

Governors lived out the Christian vision by making decisions in an ever-changing environment to maximise all the opportunities that are available for all of our children so they can live fully and thrive within our Christian community.

Things to talk about at home ...

- > Make a list of people you find inspirational. What about them inspires you?
- > Think about some of the places you find leaders (e.g., schools, councils, clubs). For each place, how are the leaders chosen? Share how important you think it is for leaders to be from a diverse range of backgrounds and with different experiences.
