Headteacher's Message

I hope you had a good half term break. Over the holiday, we received the happy news that Mrs Gill gave birth to her daughter. Baby Olivia Gill is doing very well. Congratulations to Mr and Mrs Gill!

On Monday, we welcomed Geoff from the Foxton Centre in Preston into school. He was presented with the knitted blankets that had been made by Y6 with the help of the parishioners of St Mary's Church.

Thank you to the PTFA for organising the film night on Thursday. The children had a great time.

On Wednesday, Y4 treated us to their Lent worship, which was super. Thank you to Mrs Dugdale and Y4 for leading us in our worship.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

"Love your neighbour as yourself. There is no commandment greater than these."

Mark 12: 31

This week in our worship, we have thought about Lent. This time of year, we remember something important that happened to Jesus. It was something that was very hard for him. It lasted 40 days and 40 nights. It was a very important time in Jesus' life. We then discussed the fact that at Lent people often give something up or making more of an effort to help others.

This week in our Picture News, we looked at the news that Coca-Cola has announced it will temporarily be removing labels from some of its bottles to trial 'label-less' packaging. The trial will see labels removed from the 500ml Sprite Zero bottles and replaced with an embossed logo on the front of the pack. The product and nutritional information will be laser-engraved onto the back. The label-less bottles will be trialled in some shops in London, Bristol, Manchester and Brighton and Hove. The children considered the question: 'How important is packaging?' Our 'Picture News at Home' can be found on the last page of this newsletter.

How important is packaging?

In the news this week

Things to talk about at home ...

- Find five different food items at home that have packaging and labels. Have a look at the labels and talk to others at home about what they include. What do you think is the most important information? Do you believe that all the packaging the items have is necessary?
- In general, do you feel people should do more to reduce the amount of packaging they consume? If so, how?
