Headteacher's Message

Thank you for all your support so far with the Pencott appeal. The Y6 'Voice for Change' children have been working hard to get the message wider. The Just-Giving page has just been set up and can be accessed here: https://www.justgiving.com/crowdfunding/coplanece-primarieschool?utm_term=VBa6gaXJ5

The voice for change group would also like to try and raise money for Pencott at the Vicar's Tea Party (see p 6 for details) They have asked for any donations of wine, sweets, crisps and toiletries. This is so that they can make them into hampers. If you can help out, it would be appreciated. Please send any donations directly into school.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

Though the doors were locked, Jesus came and stood among them and said, "Peace be with you!!" Then he said to Thomas, "Put your finger here; see my hands. Reach out your hand and put it into my side. Stop doubting and believe."

John 20:24-31

This week in our worship, our theme was 'Hope in the Bible.'. We heard about the story of 'Doubting Thomas.'. Thomas wanted proof that Jesus was alive, and so Jesus, who had not yet returned to heaven met with him too and gave him proof he needed. But Jesus talks about a different kind of wisdom. A different kind of belief. He tells Thomas, "Blessed are those who have never seen me but still believe." Millions and millions of people since that time have believed that Jesus died and rose from the dead, even though they have never actually seen him with their own eyes. Because of their belief in Jesus, they have been challenged to make a difference. Like those first disciples, they have changed the world.

This week in our Picture News, we looked at the news that Stef Reid MBE, a former Paralympian medal-winner who represented Canada and Great Britain, is asking Nike and other sportswear companies to start selling individual trainers to single-leg amputees. The request comes after noticing the company using mannequins with running blades to promote its products in shops. Stef has said that by refusing to sell single shoes, Nike is not living up to its values of diversity and inclusion. In a video viewed over 3 million times, Reid said she was thrilled to be shown photos of mannequins in Nike stores with running blades wearing a single shoe. The children considered the question: "How can shops make sure everyone feels represented?" Our 'Picture News at Home' can be found on the last page of this newsletter.

Good Attendance at School is Important

Reducing Illness Days

- When a child has a day off we must be notified by a parent or carer as to why. This can be a note or a telephone call. A child returning to school after an unexplained absence will be marked as unauthorised absence until we receive a valid explanation.
- If your child is saying they do not feel well and you are unsure about whether it warrants a day off please send them to school. If they are truly ill we will ring you.
- Use common sense when deciding whether or not your child is too ill to attend school. Ask yourself the following questions:

- Is my child well enough to do the activities of the school day?
- Does my child have a condition that could be passed on to other children or school staff?
- Would I take a day off work if I had this condition?

The NHS Guidance, 'Is my child too ill for school?' has information on the most common illnesses. It can be found here: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Things to talk about at home ...

- > Do you believe all sportswear companies should sell single shoes to single-leg amputees? Ask others at home to share their thoughts.
- > Can you think of any shops or businesses that take action to celebrate diversity?
