Headteacher's Message

I hope you had a good half term break. Just a reminder that due to the General Election on the 4th July, school will be closed to all children on this day as we are being used as a polling station.

Please do keep an eye each week on the 'Dates for your Diary' page. It is updated regularly with dates for this half term, which is a very busy one! I have now added the dates for the Y6 leavers' worship and pizza party.

Well done to our Y4 children, who have completed their multiplication check this week. They have approached it with maturity and calmness and given their very best. We're all really proud of you!

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'Every time I think of you, I give thanks to my God.'

Philippians 1:3

This week in our worship, our theme has been thinking about people who help us. The Bible tells us that when St Paul wrote letters to his friends, he often began by thanking God for them and all they meant to him. We thought about our school community and all those who we can thank God for because of the difference they make to all of us day by day. The Bible and other books of faith often remind us that we should care not just about ourselves, but also about other people. Most of us are very lucky to have so many people who help us in our lives. Therefore, we should be thankful to them all.

This week in our Picture News, we looked at the news that the 6th June is the 80th anniversary of the Battle of Normandy, the day in 1944 when Allied forces from thirteen countries stormed five beaches in Normandy, France. This marked the beginning of the end of World War II. A World War II veteran, Henry Rice, who is 98 from Surrey, has called for schools to teach children more about D-Day 1944. He believes that by learning about the history of it, they could urge politicians to avoid wars. The children considered the question: "Can remembering difficult times help shape a better future?" Our 'Picture News at Home' can be found on the last page of this newsletter.

Whole school photography

Just a reminder that a photographer will be in on Monday 17th June 2024 to take photos to refresh the school website. ***If you do not want your child's photo to be potentially used on the website, please fill out the form using the link: <https://forms.office.com/e/HbbqshyBLS>.***

Reducing Illness Days

- When a child has a day off we must be notified by a parent or carer as to why. This can be a note or a telephone call. A child returning to school after an unexplained absence will be marked as unauthorised absence until we receive a valid explanation.
- If your child is saying they do not feel well and you are unsure about whether it warrants a day off please send them to school. If they are truly ill we will ring you.
- Use common sense when deciding whether or not your child is too ill to attend school. Ask yourself the following questions:

- Is my child well enough to do the activities of the school day?
- Does my child have a condition that could be passed on to other children or school staff?
- Would I take a day off work if I had this condition?

The NHS Guidance, 'Is my child too ill for school?' has information on the most common illnesses. It can be found here: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Hi Cop Laners!

I'm Sunny and I've had a **GRAPE** fundraisin' idea for the month of June!

Let's have a competition between the classes to see who can raise the most money for our school!

After half term you will all be sent home with a yummy snack pack of raisins to munch on. When the box is empty, could you fill it up with coins and bring it back to school and empty it into the tub in your classroom.

. Refill as many times as you want. Pennies or pounds – they all help when they are raisin' money for our school!

Do jobs for your family and friends through half term and start earning some pennies for the challenge!

Can remembering
difficult times help
shape a better future?

In the news this week

6th June is the 80th anniversary of the Battle of Normandy, the day in 1944 when Allied forces from thirteen different countries stormed five beaches in Normandy, France. This marked the beginning of the end of World War II. A World War II veteran, Henry Rice, who is 98 and from Surrey, has called for schools to teach children more about D-Day 1944. He believes that by learning about the history of it, they could urge politicians to avoid wars.

Things to talk about at home ...

- > Can you ask someone at home about their awareness of the World Wars? Do they have, or do they know anyone with, memories of the wars?
- > This week's poster image shows a tribute to all the soldiers, who lost their lives on D-Day in France. Do you know if there are any local events or tributes to D-Day being held in your local area?
