Headteacher's Message

Well done to the children who took part in the Y1 phonics screening check this week. They have approached it with calmness and maturity and we are all incredibly proud of them.

You will hopefully have seen my update sent earlier this week regarding the sports days. Hopefully the weather improves and the summer starts to make an appearance!

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'The earth is the Lord's, and everything in it, the world and all who live in it.'

Psalms 24:1

This week in our worship, our theme has been thanking God for creation. We thought about our world and the many things within it that bring us awe and wonder. We also talked about how fragile our planet is and the need to look after it for many generations to come. We talked about all the challenges currently facing it such as pollution from emissions, deforestation and plastic pollution. We reflected on changes that we can all make to do our bit to ensure that our world can be enjoyed for generations to come.

This week in our Picture News, we looked at the news that the Prime Minister, Rishi Sunak, has announced that a UK general election is to take place on the 4th July. He made the announcement in a press conference outside 10 Downing Street. Parliament was dissolved on Thursday 30th May, and the members of Parliament have returned to being members of the public. Many are campaigning to be re-elected. A general election is when people over 18 can vote for who they want to represent them in the UK parliament. It could mean a new government party and new leader for the UK this summer. The children considered the question: "Is voting the best way to change things?" Our 'Picture News at Home' can be found on the last page of this newsletter.

Whole school photography

Just a reminder that a photographer will be in on Monday 17th June 2024 to take photos to refresh the school website. ***If you do not want your child's photo to be potentially used on the website, please fill out the form using the link: <https://forms.office.com/e/HbbqshyBLS>.***

Reducing Illness Days

- When a child has a day off we must be notified by a parent or carer as to why. This can be a note or a telephone call. A child returning to school after an unexplained absence will be marked as unauthorised absence until we receive a valid explanation.
- If your child is saying they do not feel well and you are unsure about whether it warrants a day off please send them to school. If they are truly ill we will ring you.
- Use common sense when deciding whether or not your child is too ill to attend school. Ask yourself the following questions:

- Is my child well enough to do the activities of the school day?
- Does my child have a condition that could be passed on to other children or school staff?
- Would I take a day off work if I had this condition?

The NHS Guidance, 'Is my child too ill for school?' has information on the most common illnesses. It can be found here: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Hi Cop Laners!

I'm Sunny and I've had a **GRAPE** fundraisin' idea for the month of June!

Let's have a competition between the classes to see who can raise the most money for our school!

After half term you will all be sent home with a yummy snack pack of raisins to munch on. When the box is empty, could you fill it up with coins and bring it back to school and empty it into the tub in your classroom.

. Refill as many times as you want. Pennies or pounds – they all help when they are raisin' money for our school!

Do jobs for your family and friends through half term and start earning some pennies for the challenge!

PRIZE
for the class that raises
the most money!

Things to talk about at home ...

- > What do you know about general elections? Ask someone older at home to recall previous elections.
- > Many people have come forward to say they'd like to see changes with how the country is run. Can you think of a positive change the government could make?
