

# Spirituality within French

## Spirituality within French at Cop Lane C.E. Primary School

Spirituality is promoted throughout the teaching and learning of French at Cop Lane C.E. Primary School. Learning French helps children to develop confidence in themselves and their communication. It helps to broaden their horizons by introducing them to new and exciting places they may have not heard of or have been before. Sharing of experiences by both adults and children, allows them to hear about other people's experiences of French speaking places. Learning French in a fun and interactive way is helping to build a generation open and enthusiastic to learning new languages, meeting people from different countries and exploring new cultures.
