Headteacher's Message

Over the weekend, we heard the sad news that one of our former governors passed away last week. Mr Alan Crossley served on Cop Lane's governing board for almost 19 years after joining it in October 2002. He retired from being a governor in the summer of 2021. Alan was dedicated to the school and its work. We send our condolences and prayers to the family at this difficult time.

On Tuesday, Y5 joined Reverend Nelson at St Mary's Church for their Ministry of the Word service. Y4 and Y3 visits are next week and the week after. Parents/ family members are welcome to join us for the service.

On Wednesday/ Thursday this week, we welcomed Denise Postlethwaite from HSBC to work with Y1-Y6 on financial education. On Thursday, Denise presented the school council with our reaccredited HSBC Smart Money Award.

In staffing news, Mr Wilkinson will be retiring from his welfare role at school at Easter. I would like to thank him for his dedication and commitment to the school over the years. It won't be goodbye completely though—Mr Wilkinson will continue to do the school crossing patrol at the beginning and end of the school day with Rolo!

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.'

Ephesians 4:32

This week in worship, we continued to look at our theme of forgiveness. We thought about our friends and whether we have ever fallen out with them or someone in our family. We then talked about the fact that we're not perfect and sometimes make mistakes. It can sometimes take a lot of courage to admit our mistakes and to say that we are sorry. However, having the courage to admit we're wrong and to apologise can lead to stronger friendships and respect from other people.

This week in our Picture News, we looked at the news that the Princess of Wales has recently shared pictures, drawn by herself, Prince George, Princess Charlotte, and Prince Louis, of each other. The artworks, shared on social media, are part of the Shaping Us campaign, which highlights how we develop skills to connect with others from a young age. The pictures also aim to raise awareness of an exhibition, launched by The Princess, at the National Portrait Gallery in London, encouraging children to explore their relationships and feelings. The children considered the question: "How can we make connections with others?"

Our 'Picture News at Home' can be found on the last page of this newsletter.

Things to talk about at home ...

- Share your thoughts on the drawings. Have you ever drawn a portrait of someone? Do you think this type of activity could help build connections with others?
- Can you think of any other ways you can connect with others around you?
- Talk to someone at home about some of the people you are connected to.
