Class novel/daily reading						
English	Paddington LPDS bridging unit. Year 2 and Year 3 reading and writing skills are interwoven throughout both narrative and non-fiction units in this publication, all		Recount - Escape from Pompeii/Roman Diary Non-Chronological Reports – Non-Fiction Texts linked to the Romans	Discussion For/Against – Healthy Eating in schools Yes/No	Fairy Tales/Folk Tales Jack and the Beanstalk Classic poetry for performance – Jabberwocky	Novel as a theme – Adventure Arthur and the Golden Rope – Todd Stanton Playscripts – ‘The Saga of Erik the Viking’ – Terry Jones and Michael Foreman

Cop Lane C of E Primary School – Year 3 overview 2024-2025

	<p>themed around one of our favourite bears from children's literature – Paddington! The first unit explores Michael Bond's classic text, alongside the use of more recent film material. Regular short and long writing opportunities are embedded throughout the sequence as the children work towards an extended narrative of their own Paddington adventure. This is followed by a non-fiction unit, in which children will explore a range of nonfiction sources, websites and clips, before writing their own tourist guide to either London or your local area.</p> <p>Character description: Paddington (LPDS Bridging unit)</p> <p>Novel as a theme: Paddington (LPDS Bridging unit)</p> <p>Information Leaflet Local Area (LPDS Bringing unit)</p> <p>Fables/Myths – The Hare and the Tortoise</p> <p>Identify clauses in sentences. Explore, identify and create complex sentences using a range of conjunctions e.g. <i>when, if because, although</i>.</p> <p>Use inverted commas to punctuate direct speech (speech marks). Use the determiner <i>a</i> or <i>an</i> according to whether the next word begins with a consonant or vowel e.g. <i>a rock, an open box</i>. Explore and collect nouns with prefixes <i>super, anti, auto</i>.</p> <p>Drafting and writing Create and develop settings for narrative. Create and develop characters for narrative. Improvise, create and write dialogue.</p>	<p>Poems with a structure e.g. shape, calligrams, rhyming couplets – linking to Winter</p> <p>Explore and identify main clauses in complex sentences.</p> <p>Drafting and writing Create and develop settings for narrative. Create and develop characters for narrative. Improvise, create and write dialogue. Create and develop plots based on a model.</p> <p>Use further prefixes <i>dis_, mis_, re_</i>, and suffixes <i>_ly, _ous</i>, and understand how to add them.</p> <p>Add suffixes beginning with vowel letters to words of more than one syllable. Spell homophones and near homophones. Spell words containing the /ʊ/ sound spelt ou, e.g. <i>young, touch, double</i> Explore and collect nouns with prefixes <i>super, anti, auto</i>.</p>	<p>Instructional Text: Creating a smoothie</p> <p>Persuasive Letters – link to above/smoothie link 'Dear Miss' Explore and identify main and subordinate clauses in complex sentences. Explore, identify and create complex sentences using a range of conjunctions e.g. <i>while, since, until, before, after, so</i>. Use the comma to separate clauses in complex sentences where the subordinate clause appears first, e.g. <i>Although it was raining, we decided not to take our coats</i>. Use the comma to separate clauses in complex sentences where the subordinate clause appears first, e.g. <i>Although it was raining, we decided not to take our coats</i>. Identify, select, generate and effectively use prepositions for where e.g. <i>above, below, beneath, within, outside, beyond</i>. Select, generate and effectively use adverbs e.g. <i>suddenly, silently, soon, next, eventually</i>.</p> <p>Drafting and writing Create and develop settings for narrative. Create and develop characters for narrative. Improvise, create and write dialogue. Create and develop plots based on a model. Group related material into paragraphs. Cop Lane C of E Primary School – Year 3 overview 2024-2025

	<p>Create and develop plots based on a model.</p> <p>Use headings and sub headings to organise information.</p> <p>Use further prefixes <i>dis_, mis_, re_</i>, and suffixes <i>_ly, _ous</i>, and understand how to add them.</p> <p>Add suffixes beginning with vowel letters to words of more than one syllable.</p> <p>Spell homophones and near homophones.</p> <p>Spell words containing the /<i>ʊ</i>/ sound spelt <i>ou</i>, e.g. <i>young, touch, double</i></p>		<p>e.g. <i>vein, weigh, eight, neighbour, they, obey</i></p> <p>Identify and spell irregular past tense verbs, e.g. <i>send /sent, hear / heard, think/ thought</i></p>			
English ongoing writing skills	<p>Identify clauses in sentences.</p> <p>Explore and identify main and subordinate clauses in complex sentences.</p> <p>Explore, identify and create complex sentences using a range of conjunctions e.g. <i>when, if because, although, while, since, until, before, after, so</i>.</p> <p>Use the comma to separate clauses in complex sentences where the subordinate clause appears first, e.g. <i>Although it was raining, we decided not to take our coats</i>.</p> <p>Identify, select, generate and effectively use prepositions for where e.g. <i>above, below, beneath, within, outside, beyond</i>.</p> <p>Select, generate and effectively use adverbs e.g. <i>suddenly, silently, soon, next, eventually</i>.</p> <p>Use inverted commas to punctuate direct speech (speech marks).</p> <p>Use perfect form of verbs using <i>have</i> and <i>has</i> to indicate a completed action e.g. <i>He has gone out to play</i> (present perfect) instead of <i>he went out to play</i> (simple past).</p> <p>Use the determiner <i>a</i> or <i>an</i> according to whether the next word begins with a consonant or vowel e.g. <i>a rock, an open box</i>.</p> <p>Explore and collect word families e.g. <i>medical, medicine, medicinal, medic, paramedic, medically</i> to extend vocabulary.</p> <p>Explore and collect nouns with prefixes <i>super, anti, auto</i>.</p> <p>Read and analyse narrative, non-fiction and poetry in order to plan and write their own versions.</p> <p>Identify and discuss the purpose, audience, structure, vocabulary and grammar of narrative, non-fiction and poetry.</p> <p>Discuss and record ideas for planning using a range of formats, e.g. <i>chunking a plot, story maps, flow charts, boxing up</i>.</p> <p>Generate and select from vocabulary banks e.g. <i>noun phrases, powerful verbs, technical language, synonyms for said</i> appropriate to text type.</p> <p>Use different sentence structures (see VGP).</p> <p>Evaluating and Editing</p> <p>Proofread to check for errors in spelling, grammar and punctuation in own and others' writing.</p> <p>Discuss and propose changes with partners and in small groups.</p> <p>Improve writing in the light of evaluation.</p> <p>Performing</p> <p>Use appropriate intonation, tone and volume to present their writing to a group or class.</p> <p>Use the first two letters of a word to check its spelling in a dictionary.</p> <p>Write from memory simple sentences, dictated by the teacher, that include words and punctuation taught so far.</p> <p>Spell words from the Year 3 list (selected from the statutory Year 3/4 word list)</p> <p>Form and use the four basic handwriting joins.</p> <p>Write legibly.</p>					
ongoing English	<p>FACILITATE PHONICS AS APPROPRIATE – SUPERSONIC PHONIC FRIENDS AS APPROPRIATE/BOUNCE BACK PHONICS</p> <p>Handwriting</p> <p>Pupils should be taught to:</p>	<p>Grammar</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • develop their understanding of the concepts set out in English Appendix 2 by: 	<p>Spelling</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> - use further prefixes and suffixes and understand how to add them (English Appendix 1) 			

Cop Lane C of E Primary School – Year 3 overview 2024-2025

- use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined
 - increase the legibility, consistency and quality of their handwriting [for example, by ensuring that the downstrokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch].

- extending the range of sentences with more than one clause by using a wider range of conjunctions, including when, if, because, although,
 - using the present perfect form of verbs in contrast to the past tense
 - choosing nouns or pronouns appropriately for clarity and cohesion and to avoid repetition
 - using conjunctions, adverbs and prepositions to express time and cause
 - using fronted adverbials
 - learning the grammar for years 3 and 4 in English Appendix 2
• indicate grammatical and other features by:
 - using commas after fronted adverbials
 - indicating possession by using the possessive apostrophe with plural nouns
 - using and punctuating direct speech
• use and understand the grammatical terminology in English Appendix 2 accurately and appropriately when discussing their writing and reading

- spell further homophones
 - spell words that are often misspelt (English Appendix 1)
 - place the possessive apostrophe accurately in words with regular plurals [for example, girls', boys'] and in words with irregular plurals [for example, children's]
 - use the first two or three letters of a word to check its spelling in a dictionary

 - write from memory simple sentences, dictated by the teacher, that include words and punctuation taught so far.

Cop Lane C of E Primary School – Year 3 overview 2024-2025

	<p>Step 13 Divide by 8 Step 14 The 8 times-table Step 15 The 2, 4 and 8 times-tables</p> <p><u>NATIONAL CURRICULUM LINKS:</u> Write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for 2-digit numbers times 1-digit numbers, using mental and progressing to formal written methods.</p> <p>Show that multiplication of two numbers can be done in any order (commutative) and division on one number by another cannot (Y2).</p> <p>Count in steps of 2, 3 and 5 from 0, and in 10s from any number, forward and backward (Y2). Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers (Y2).</p> <p>Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.</p>	<p>Step 3 Measure mass in kilograms and grams Step 4 Equivalent masses (kilograms and grams) Step 5 Compare mass Step 6 Add and subtract mass Step 7 Measure capacity and volume in millilitres Step 8 Measure capacity and volume in litres and millilitres Step 9 Equivalent capacities and volumes (litres and millilitres) Step 10 Compare capacity and volume Step 11 Add and subtract capacity and volume</p> <p><u>NATIONAL CURRICULUM LINKS:</u> Measure, compare, add and subtract: lengths (m/cm/mm); mass (kg/g); volume/capacity (l/ml).</p>	<p>Identify horizontal and vertical lines and pairs of perpendicular and parallel lines.</p> <p><u>Statistics</u> Step 1 Interpret pictograms Step 2 Draw pictograms Step 3 Interpret bar charts Step 4 Draw bar charts Step 5 Collect and represent data Step 6 Two-way tables</p> <p><u>NATIONAL CURRICULUM LINKS:</u> Interpret and present data using bar charts, pictograms and tables.</p> <p>Solve one-step and two-step questions using information presented in scaled bar charts and pictograms and tables.</p>
<p>Science</p> <p>See PLAN matrices</p>	<p>Forces *Outdoor Learning* - compare how things move on different surfaces. Notice that some forces need contact between two objects, but magnetic forces can act at a distance. Observe how magnets attract or repel each other and attract some materials and not others. Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials. Describe magnets as having two poles. Predict whether two magnets will attract or repel each other, depending on which poles are facing. Scientist – Michael Faraday</p> <p>Rocks *Outdoor Learning* – compare and group together different kinds of rocks on the basis of their appearance and simple physical properties. Describe in simple terms how fossils are formed when things that have lived are trapped within rock. Recognise that soils are made from rocks and organic matter. The pebble in my pocket – reading focus Scientist – Mary Anning</p>	<p>Humans/Health/Nutrition - identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat. Identify that humans and some other animals have skeletons and muscles for support, protection and movement.</p> <p>Scientist – Local nurse/doctor/paramedic in our community</p> <p>Light - recognise that they need light in order to see things and that dark is the absence of light. Notice that light is reflected from surfaces. Recognise that light from the sun can be dangerous and that there are ways to protect their eyes. Recognise that shadows are formed when the light from a light source is blocked by a solid object. Find patterns in the way that the size of shadows change.</p> <p>Scientist – Humphrey Davey</p>	<p>Plants *Outdoor Learning* – identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers. Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant. Investigate the way in which water is transported within plants. Explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal. Scientist – Marianne North</p>
<p>History</p>	<p>The Roman Empire and its impact on Britain – The children learn about the Romanisation of Britain and impact of technology, culture and beliefs. Link with local history – Roman roads through Cuerden. Substantive Concepts: Community and Culture / Conflict and Peace Disciplinary Concepts: Historical Significance / Sources and Evidence</p>	<p>A local history study – Focus on counties and regions. The children learn to compare and contrast periods of time and places. Substantive Concept: Community and Culture Disciplinary Concept: Change and Continuity</p>	<p>The Viking and Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor – The children use a range of sources to research the Vikings and their invasion of England. Substantive Concepts: Conflict and Peace / Community and Culture Disciplinary Concept: Sources, Evidence and Interpretations</p>

History Key learning and skills	<p>Chronology</p> <ul style="list-style-type: none"> To use some dates and historical terms when ordering events and objects To demonstrate awareness that the past can be divided into different periods of time To explore trends and changes over time <p>Events, people and changes</p> <ul style="list-style-type: none"> To describe some aspects of the Roman Empire and recognise its impact on Britain To demonstrate knowledge of aspects of history significant in their locality <p>Interpretation, enquiry and using sources</p> <ul style="list-style-type: none"> To use sources to address historically valid questions To recognise that our knowledge of the past is constructed from different sources of evidence To recognise that different versions of past events may exist To describe some of the ways the past can be represented <p>Communication</p> <ul style="list-style-type: none"> To discuss some historical events, issues, connections and changes To select and organise historical information to present in a range of ways To use relevant historical terms and vocabulary linked to chronology 	<p>Chronology</p> <ul style="list-style-type: none"> To use some dates and historical terms when ordering events and objects To demonstrate awareness that the past can be divided into different periods of time To explore trends and changes over time <p>Events, people and changes</p> <ul style="list-style-type: none"> To demonstrate knowledge of aspects of history significant in their locality <p>Interpretation, enquiry and using sources</p> <ul style="list-style-type: none"> To use sources to address historically valid questions To recognise that our knowledge of the past is constructed from different sources of evidence To recognise that different versions of past events may exist To describe some of the ways the past can be represented <p>Communication</p> <ul style="list-style-type: none"> To discuss some historical events, issues, connections and changes To select and organise historical information to present in a range of ways To use relevant historical terms and vocabulary linked to chronology 	<p>Chronology</p> <ul style="list-style-type: none"> To use some dates and historical terms when ordering events and objects To demonstrate awareness that the past can be divided into different periods of time To explore trends and changes over time <p>Events, people and changes</p> <ul style="list-style-type: none"> To describe aspects of the Viking and Anglo-Saxon struggle for the Kingdom of England in the time of Edward the Confessor <p>Interpretation, enquiry and using sources</p> <ul style="list-style-type: none"> To use sources to address historically valid questions To recognise that our knowledge of the past is constructed from different sources of evidence To recognise that different versions of past events may exist To describe some of the ways the past can be represented <p>Communication</p> <ul style="list-style-type: none"> To discuss some historical events, issues, connections and changes To select and organise historical information to present in a range of ways To use relevant historical terms and vocabulary linked to chronology
History Key vocabulary	<p>Roman Empire, Britain, impact, Colosseum, amphitheatre, mosaic, centurion, architecture, gladiator, warrior, invade, trade, travel, resistance, laws, justice, coastal, combat, community, culture, conflict, peace, sources, evidence, economy, settlement, religion</p>	<p>local history, civilisation, food and farming, migration, family history, counties, regions, community, culture, change, continuity</p>	<p>trade, invasion, food and farming, settlement, Scandinavia, Sweden, Norway, Denmark, myths, Norse, invade, settle, travel, resistance, laws, justice, coastal, combat, raid, king, chieftain, shield, Jorvik, freeman, runes, community, culture, sources, evidence, interpretations</p>
Local history	<p>My Roman Road Cuerden Valley Roman Road Remains</p>		
Geography	<p>Linking with their learning on the Romans, the children name and locate counties and cities of the UK. They choose a region of the UK to study, and learn about key aspects of human and physical geography in that region. The children also learn about geographical similarities and differences between chosen region and other regions of the world or the UK. As part of a fieldwork project linked to Roman roads, the children build on their previous learning on compass points. They learn how to use 8 compass points to explain/identify points on a map. Visit to Ribchester Roman Museum</p>	<p>As part of their learning about 'Smoothies' and where a variety of produce comes from, the children locate the world's countries using maps, globes, atlases and digital/computer mapping. The children also learn about Fairtrade and the importance of the farmers getting the money and rights they deserve. They study human geography, including types of settlements and land use, economic activity including trade links. Visit – Booths – Fruit/Veg and produce – transportation and importation</p>	<p>With a focus on Viking farmers, the children study human geography – types of settlements and land use, and the distribution of natural resources including energy, food, minerals and water.</p>

	UK, Europe, regions, climate, landforms, soil, countries, counties, cities, compass points, North, South, East, West, North East, North West, South East, South West, Ribchester, Romans, physical features, human features, similarities, differences, rivers, mountains, capitals, landmarks, mountainous areas, urban areas, Equator, climate, settlements, land use, Fairtrade, economics, trade, transportation, importation, Vikings, natural resources, distribution, energy, food, minerals, water.					
Geography Key vocabulary						
Computing	Year 3 -Computing systems and networks – Connecting computers ipads -To explain how digital devices function -To identify input and output devices -To recognise how digital devices can change the way we work	Year 3 – Creating Media – Stop Frame Animation I motion app ipads -To explain that animation is a sequence of drawings or photographs -To relate animated movement with a sequence of images -To plan an animation	Year 3 -Programming A - Sequencing sound (Scratch to follow on from scratch JR) -To explore a new programming environment -To identify that commands have an outcome	Year 3 - Data and Information – Branching databases (j2data - website) -To create questions with yes/no answers -To identify the attributes needed to collect data about an object	Year 3 -Creating Media - Desktop Publishing (adobe spark or publisher) -To recognise how text and images convey information -To recognise that text and layout can be edited -To choose appropriate page settings	Programming B - Events and actions in programs Scratch -To explain how a sprite moves in an existing project -To create a program to move a sprite in four directions

Cop Lane C of E Primary School – Year 3 overview 2024-2025

	<p>-To explain how a computer network can be used to share information</p> <p>-To explore how digital devices can be connected</p> <p>-To recognise the physical components of a network</p> <p>Self – Image and Identity</p> <p>I can explain what is meant by the term 'identity'</p> <p>I can explain ways in which someone might change their identity depending on what they are doing online (e.g. gaming; using an avatar; social media) and why</p>	<p>-To identify the need to work consistently and carefully</p> <p>-To review and improve an animation</p> <p>-To evaluate the impact of adding other media to an animation</p> <p>Online Relationships</p> <p>I can explain what it means to 'know someone' online and why this might be different from knowing someone offline</p> <p>I can explain how someone's feelings can be hurt by what is said or written online</p>	<p>-To explain that a program has a start</p> <p>-To recognise that a sequence of commands can have an order</p> <p>-To change the appearance of my project</p> <p>-To create a project from a task description</p> <p>Online Bullying</p> <p>I can describe appropriate ways to behave towards other people online and why this is important.</p> <p>I can give examples of how bullying behaviour could appear online and how someone can get support</p>	<p>-To create a branching database</p> <p>-To explain why it is helpful for a database to be well structured</p> <p>-To plan the structure of a branching database</p> <p>-To independently create an identification tool</p> <p>Managing Online Information</p> <p>I can demonstrate how to use key phrases in search engines to gather accurate information online</p> <p>I can explain the difference between a 'belief', an 'opinion' and a 'fact. and can give examples of how and where they might be shared online</p>	<p>-To add content to a desktop publishing publication</p> <p>-To consider how different layouts can suit different purposes</p> <p>-To consider the benefits of desktop publishing</p> <p>Privacy and Security</p> <p>I can describe simple strategies for creating and keeping passwords private</p> <p>I can give reasons why someone should only share information with people they choose to and can trust</p>	<p>-To adapt a program to a new context</p> <p>-To develop my program by adding features</p> <p>-To identify and fix bugs in a program</p> <p>-To design and create a maze-based challenge</p> <p>Copyright and Ownership</p> <p>I can explain why copying someone else's work from the internet without permission isn't fair and can explain what problems this might cause</p>
ongoing Computing	<p>Using technology:</p> <ul style="list-style-type: none"> develop their independence and confidence in using these devices. aim to reach 20WPM by the end of Year 4. make sensible choices about the technology they use to enhance and help them with their work, and to justify their choices make sharp, alert, secure, kind and brave online choices to help us to be internet legends. <p>Big Brown Bear - using learn to type to develop speed and accuracy PurpleMash 2Type</p>					
RE Questful RE *subject to change due to trialling new units	<p>3.6 Harvest (5 hours)</p> <p>3.2 Christmas God with us (5 hours)</p>	<p>3.3 Jesus the man who changed lives (6 hours)</p> <p>3.4 Exploring the sadness of joy and Easter (5 hours)</p>	<p>3.5 Which rules should we follow? Does everybody follow the same rules? (6 hours + 6 hours – 12 hours)</p>			
Art and Design	<p>Printing – The children look into the history of Roman Mosaics and discuss the colours and patterns used to then design and create our own Roman mosaic using a relief printing method.</p> <p>Painting – fauvism – The children look at the style of fauvism. Linking into landscapes linked to their English unit. They look at the style of painting to then design and create their own landscape using painting styles.</p>	<p>Digital Media – Focus on Arcimboldo, a traditional painter linking in with the fruits and vegetables topic. The children study his artwork and discuss the use of colour and how this can be recreated using digital media. They create a portrait inspired by his paintings using tools on an app called Pictoboldo.</p>	<p>Textiles – The children explore the textile techniques used by the Vikings during the Viking age, specifically weaving. They create their own piece of woven artwork using different colour and textiles wool, fabric, feathers.</p>			

Cop Lane C of E Primary School – Year 3 overview 2024-2025

Art and Design Key learning and skills	<p>Printing</p> <ul style="list-style-type: none"> To create printing blocks using a relief or impressed method. To create repeating patterns. To print with two colour overlays. <p>Drawing</p> <ul style="list-style-type: none"> To apply a simple use of pattern and texture in drawing <p>Painting</p> <ul style="list-style-type: none"> To work on a range of scales e.g. thin brush on small picture etc. To create different effects and textures with paint according to what they need for the task. To use more specific colour language. <p>Drawing</p> <ul style="list-style-type: none"> To draw for a sustained period of time at an appropriate level To make marks and lines with a wide range of drawing implements 	<p>Digital Media</p> <ul style="list-style-type: none"> To record and collect visual information using digital cameras and video recorders. To present recorded visual images using software. Use a graphics package to create images and effects with; lines by controlling the brush tool with increased precision. To change the type of brush to an appropriate style. To create a shape by making selections to cut, duplicate and repeat. To experiment with colours and textures by using effects and simple filters to manipulate and create images for a purpose. <p>Drawing</p> <p>To use journals to collect and record visual information from different sources</p>	<p>Textiles</p> <ul style="list-style-type: none"> To use a variety of techniques e.g. weaving and wefting to create different textural effects. To match the tool to the material. To develop skills in stitching, cutting and joining. <p>Drawing</p> <ul style="list-style-type: none"> To create textures with a wide range of drawing implements To experiment with ways in which surface detail can be added to drawings.
Art and Design Key vocabulary	imprint, impression, mould, monoprint, background, marbling, surface, absorb, stencil, pounce, negative image, positive image	tools, resize, order, group, colour, balance, lock, import, crop, tone.	natural, synthetic, bunching resist, thread, wool, weave, stitch, tease, weft.
Art and Design Ongoing Y3/ Y4 key learning and skills	<p>Exploring and Developing Ideas</p> <ul style="list-style-type: none"> Select and record from first hand observation, experience and imagination, and explore ideas for different purposes. Question and make thoughtful observations about starting points and select ideas to use in their work. Explore the roles and purposes of artists, craftspeople and designers working in different times and cultures. <p>Evaluating and Developing Work</p> <ul style="list-style-type: none"> Compare ideas, methods and approaches in their own and others' work and say what they think and feel about them, Adapt their work according to their views and describe how they might develop it further. Annotate work in a journal. 		
DT	<p>Structures– The children look into creating a Roman Chariot for the purpose of testing the durability of a Roman Road, which is a cross curricular link to Science and History. They research the product and how it is created on a larger scale, using this to then create their own smaller version.</p>	<p>Food technology – Based on their cross curricular 'fruits and vegetables and healthy eating' topic, the children design and create a fruit smoothie, with the purpose of creating the smoothie for children similar in age. They research into the smoothies that sell and why, looking into the types and tastes, then developing their designs from this.</p>	<p>Mechanical and Electrical Systems – The children look into the design of a Viking longship and how these worked long ago. They use a computer aided design programme to support their design in creating a product which will have mechanical systems, and push their creation further by linking it up to an electrical system to 'light the way' on their ships.</p>
DT Skills	<p>Structures</p> <ul style="list-style-type: none"> To develop vocabulary related to the project. To create shell or frame structures. To strengthen frames with diagonal struts. 	<p>Food</p> <ul style="list-style-type: none"> To follow instructions/recipes. To make healthy eating choices – use the Eatwell Plate 	<p>Mechanical and Electrical Systems and ICT (Computer Aided Design)</p> <ul style="list-style-type: none"> To develop vocabulary related to the project.

Cop Lane C of E Primary School – Year 3 overview 2024-2025

	<ul style="list-style-type: none"> To make structures more stable by giving them a wide base. To measure and mark square section, strip and dowel accurately to 1cm 	<ul style="list-style-type: none"> To join and combine a range of ingredients. To explore seasonality of vegetables and fruit. To find out which fruit and vegetables are grown in countries/continents studied in Geography. 	<ul style="list-style-type: none"> To use mechanical systems such as gears, pulleys, levers and linkages. To incorporate a circuit into a model/product. To use electrical systems such as switches bulbs and buzzers. To use ICT to program and control products. To use lolly sticks/card to make levers and linkages. To use linkages to make movement larger or more varied To use CAD where appropriate
DT Key Vocabulary	shell structure, three-dimensional (3-D) shape, net, cube, cuboid, prism, vertex, edge, face, length, width, breadth, capacity, marking out, scoring, shaping, tabs, adhesives, joining, assemble, accuracy, material, stiff, strong, reduce, reuse, recycle, corrugating, laminating, font, lettering, text, graphics, decision	name of products, names of equipment, utensils, techniques and ingredients texture, taste, sweet, sour, hot, spicy, appearance, smell, preference, greasy, moist, cook, fresh, savoury, hygienic, edible, grown, reared, caught, frozen, tinned, processed, seasonal, harvested healthy/varied diet	mechanism, lever, linkage, pivot, slot, bridge, guide system, input, process, output linear, rotary, oscillating, reciprocating
DT Ongoing Y3/Y4 Key learning and skills	<p><u>Design</u></p> <ul style="list-style-type: none"> To develop more than one design or adaptation of an initial design. To plan a sequence of actions to make a product. To record the plan by drawing using annotated sketches. To begin to use cross-sectional and exploded diagrams. To use prototypes to develop and share ideas. To think ahead about the order of their work and decide upon tools and materials/ingredients. To propose realistic suggestions as to how they can achieve their design ideas. To consider aesthetic qualities of materials/ingredients chosen. <p><u>Make</u></p> <ul style="list-style-type: none"> To prepare pattern pieces as templates for their design. To select from a range of tools for cutting shaping joining and finishing. To use tools with accuracy. To select from techniques for different parts of the process. To select from materials according to their functional properties. To plan the stages of the making process. To use appropriate finishing techniques. <p><u>Evaluate</u></p> <ul style="list-style-type: none"> To investigate similar products to the one to be made to give starting points for a design. To draw/sketch products to help analyse and understand how products are made. To research needs of user. To identify the strengths and weaknesses of their design ideas in relation to purpose/user. To decide which design idea to develop. To consider and explain how the finished product could be improved. To discuss how well the finished product meets the design criteria of the user. To investigate key individuals in Design and Technology. 		

Cop Lane C of E Primary School – Year 3 overview 2024-2025

Music Adapted Charanga Recorders and tuned/untuned percussion	Charanga MMC Unit Writing Music Down Long and short (rhythm) and high and low (pitch) sounds can be represented by musical symbols. These symbols can be written on a stave and named with special musical names. This helps us to remember what we are going to sing and play. Explore the notes, crotchets and minims within the music you learn. See how these notes can fit on the lines and spaces of a stave.	Charanga MMC unit Playing in a Band Playing together in a band is fun and exciting! Try to read the notation of one of the easy instrumental parts when playing together in this unit. In music, the steady beat is organised by time signatures which tell us how many beats there are in each bar. What are the time signatures of the music you are playing? When people sing or use instruments to play two or more different pitches that sound at the same time, we can hear harmony in music. Explore singing and playing instruments together to create these beautiful sounds.	Charanga MMC unit Compose Using Your Imagination Use your imagination when creating your compositions in this unit. What do you see when you close your eyes? Can you write a melody or find sounds that represent the story you want to tell?	Charanga MMC unit More Musical Styles Music, with all its styles, has changed and shaped lives around the world. When you listen to music and it changes from loud to quiet or quiet to loud, it can be very exciting! We call these changes 'dynamics'. Loud sounds are called 'forte', and quiet sounds are called 'piano'. Explore these changes in dynamics within the music in this unit.	Charanga MMC unit Enjoying Improvisation Music, with all its styles, has changed and shaped lives around the world. When you listen to music and it changes from loud to quiet or quiet to loud, it can be very exciting! We call these changes 'dynamics'. Loud sounds are called 'forte', and quiet sounds are called 'piano'. Explore these changes in dynamics within the music in this unit.	Charanga MMC unit Opening Night Create and present a performance with an understanding of the songs you are singing and where they fit in the world. Present what has been learnt in the lesson with confidence. If you want to create your own band, use the simple band parts provided. Every instrument is there!
	Progression of skills					
	Singing Using their voices and with increasing accuracy, fluency, control and expression.			Sing simple chants and rhymes from memory, in unison with a limited but developing pitch range.		
	Playing Instruments Playing musical instruments with increasing accuracy, fluency, control and expression.			Play and perform simple musical patterns on tuned and untuned instruments with an awareness of a steady pulse.		
	Creating Music Improvise and compose music for a range of purposes using the interrelated dimensions of music. Use and understand staff and other notations.			Improvise descriptive musical ideas and patterns using the pentatonic series; compose, organise, layer musical ideas showing choice in some musical dimensions.		
	Listening to Music Listen with attention to detail and recall sounds with increasing aural memory.			Listen to and associate short and simple pieces of music to different situations.

PE Whole school festivals	Handball Festival 11.10.24	Dance Festival 22.11.24	Sports Hall Athletics Festival 07.02.25	Yoga and Mindfulness Festival 28.03.25	Cricket Festival 16.05.25	Rugby Festival 11.07.25
PE See GetSet4PE	Fundamentals In this unit pupils will develop the fundamental skills of balancing, running, jumping, hopping and skipping. Pupils will develop their ability to change direction with balance and control. They will be given the opportunity to explore how the body moves at different speeds as well as how to accelerate and decelerate. Pupils will be asked to observe and recognise improvements for their own and others' performances and identify	Gymnastics In this unit pupils develop balancing, rolling and jumping. They use these skills individually and in combination. Pupils develop their sequence work, collaborating with others to use matching and contrasting actions and shapes and develop linking sequences smoothly with actions that flow. Pupils develop their confidence to perform, considering the quality and control of their actions.	Dance In this unit pupils create dances in relation to an idea. Pupils work individually, with a partner and in small groups, sharing their ideas. Pupils develop their use of counting and rhythm. Pupils learn to use canon, unison, formation and levels in their dances. They will be given the opportunity to perform to others and provide feedback using key terminology.	Athletics In this unit pupils will develop basic running, jumping and throwing techniques. They are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, distance or accuracy and	Netball In this unit pupils develop their understanding of the attacking and defending principles of invasion games. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In netball pupils do this by maintaining possession and moving the ball towards goal to score. Pupils develop their	Cricket In this unit pupils explore their understanding of the principles of striking and fielding. They expand on their knowledge of the different roles of bowler, wicket keeper, fielder and batter. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In cricket,

My Happy Mind		MEET YOUR BRAIN How to focus your mind to help you train your brain. About Team H-A-P and their roles in more detail. How our emotions impact Team H-A-P and how to support our brains to relax when feeling sad, stressed or worried. Why our Amygdala behaves the way it does and how evolution has shaped how it works.	CELEBRATE Scientists discovered that we all have 24 Character Strengths but in different amounts. We all have 24 strengths, but children will focus on the 5 main categories of Character Strengths and think about them like a pick and mix bag	APPRECIATE That we can forget to appreciate what is around us and that Happy Breathing can help us appreciate the little things we may forget. That the more we show gratitude, the easier it is - we can use Neuroplasticity. How to develop an Attitude of	RELATE That our strengths can be really helpful in friendships by helping us to accept other people's differences and how this is a good thing. That when we face differences in opinions or challenges with friendships, it can be hard to remember we all have	ENGAGE How our feelings affect our ability to do well in an activity and learn that we have to feel good to do good. What Big Dream Goals are. How to use perseverance and resilience to help us not give up on something.

Cop Lane C of E Primary School – Year 3 overview 2024-2025

		<p>How we can use Happy Breathing during times of stress and how our Hippocampus stores the memory of this when we practise. About Neurons and Neural Pathways and the role they play in learning. How to look after our brains to help them to be at their best.</p> <p><i>Vocab: Brain, Cells, Hippocampus, Amygdala, Prefrontal Cortex, Mind, Focus, Neuroplasticity, Neuron, Neural Pathway, Happy Breathing, Fight, Flight, Freeze, Oxygen</i></p>	<p>of sweets. The five main categories of Character Strengths are: 1.Love and Kindness 2.Bravery and Honesty 3.Exploring and Learning 4.Teamwork and Friendship 5.Love of Life and our World.</p> <p>Half of our character is set by genetics and the other half from our experiences. Our character can grow based on our experiences, just like their brains do with Neuroplasticity. Why it is important to spot strengths in others and how they can be used. That strengths can help us to approach difficult situations. When we use our Character Strengths, we can be our best selves because we are feeling happy, safe, and calm, and this makes Team H-A-P happy.</p> <p><i>Vocab: Character Strengths, Genetics, Love and Kindness, Bravery and Honesty, Exploring and Learning, Teamwork and Friendship, Love of Life and our World, Unique, Special, Strengths Spotting, Neuroplasticity, Team H-A-P</i></p>	<p>Gratitude What happens when we give gratitude and how the giver and receiver feel. That Dopamine gets released in our brain when we give gratitude and this helps Team H-A-P work together. Dopamine can especially help the Amygdala stay calm and even the thought of gratitude can release Dopamine. How when we appreciate ourselves and feel good about our strengths, we will use them even more. We can use Character Strengths to appreciate others too.</p> <p><i>Vocab: Appreciate, Grateful, Thankful, Wheel of Gratitude, Ourselves, Others, Experiences, Team H-A-P, Happy Breathing, Dopamine, Attitude of Gratitude, Neuroplasticity</i></p>	<p>differences. We will learn how the skill 'Stop, Understand and Consider' can help us with friendships. Everyone sees things differently and that this is a positive thing. Children will learn they can ask 'what do you think about that?' to help them better understand and relate to others. That the more we practise seeing other perspectives, the more the brain will remember it. Children will learn Neuroplasticity works with relating to others too. That we normally choose our friends because of their character. That we all see things from different perspectives; friends can help us solve problems by approaching them differently. How Active Listening can help our friendships and what happens if we don't Actively Listen with our friendships. That when we listen to friends, they will know that we care for them</p> <p><i>Vocab: Character Strengths, Relate, Get Along, People, Active Listening, Team H-A-P, Happy Breathing, 'Stop, Understand and Consider', Friendships, Relationships, Differences</i></p>	<p>That we have to 'Believe to Achieve'. How to set our own Big Dream Goals.</p> <p><i>Vocab: Engage, Activity, Goal, 'Feel Good, Do Good', Believe to Achieve, Happy Breathing, Habits, Perseverance, Resilience, Big Dream Goals</i></p>
