Headteacher's Message

The sun has been shining this week. The children have enjoyed playing on the field as we make the most of this dry and settled weather.

On Wednesday, some of our children took part in a singing event at Priory. Well done to all those who took part. They were excellent ambassadors for the school.

On the 16th May, we will be supporting Christian Aid. As it is the whole school cricket festival, we will be having a 'wear a sports kit day' for a suggested donation of a £1. **Please ensure that any sports kits worn/ shoes are suitable for PE and cricket.** A payment link will be set up shortly. We will let you know when the link is live.

We are all very excited as we have the Playground Proms concert this afternoon. I'm sure this will be enjoyed by all.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

"We don't own the Planet Earth; we belong to it. And we must share it with our wildlife."

Steve Irwin

This week in worship, we talked about hope for the world. We have a beautiful world filled with lots of fantastic animals, plants and landscapes. However, we discussed whether we always treat it respectfully. We talked about being 'stewards' of the planet and making small changes that, if everyone did them, could have a larger impact. For example, walking on small journeys instead of driving or choosing to recycle more. If we all did our part, we can help each other, as well as our global neighbours.

This week in our Picture News, we looked at the news that many workers in Birmingham have been on strike (choosing not to work) since January because they believe they are not being treated or paid fairly. The workers on strike are the people whose job it is to collect rubbish and empty the bins from outside homes and streets. As an all-out strike has now been going on since 11th March, huge piles of rubbish are building up around the city. The children considered the question: "Whose job is it to keep our local places clean and tidy?"

Whose job is it to keep our
local places clean and tidy?

In the news this week

Many workers in Birmingham have been on strike (choosing not to work) since January, because they believe they are not being treated or paid fairly. The workers on strike are the people whose job it is to collect rubbish and empty the bins from outside homes and streets. As an all-out strike has now been going on since 11th March, huge piles of rubbish are building up around the city.

Things to talk about at home ...

- Talk to someone at home about what happens to your rubbish. Where do you take it? Do you know where it goes? What about your recycling?
- Tell someone at home about this week's story. What do you think it might be like for some people living in Birmingham at the moment?
