Headteacher's Message

It's been a very hot end to the week! We have enjoyed being back on the field at playtimes and lunchtimes.

On Wednesday, our Y1 children visited Brockholes Nature Reserve as part of their Science learning. The children had a fantastic time and were excellent ambassadors for the school.

On Thursday, our EYFS went to 'Bring Yer Wellies' in Hoghton. The children loved the activities that they did and the staff at the activity centre said that our children had once again been a credit to the school. Well done!

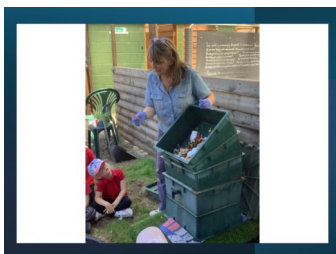

You should have received information from the PTFA about the 'Rise and Shine Rainbow Run' on the 1st July. We are really looking forward to it.

Finally, the more information about the governor Cop Lane Live event on the 11th July can be found on p.7. A non-uniform day will take place on the 04.07.25 in return for bottles of any kind.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'So we rebuilt the wall until all of it was joined together up to half its height, for the people had a mind to work.'

Nehemiah 4:6

This week in worship, our theme was 'rebuilding with thankfulness'. We heard the Old Testament story of Nehemiah, who with his friends, rebuilt Jerusalem's walls in 52 days. They were thankful to God for helping them to rebuild the walls and protecting them from their enemies. God guided them. We thought about life in school. We should always be thankful for our friends or whoever helps us. If something goes wrong, it is important to remember that we can always restart and rebuild. We can be thankful that we have this opportunity.

This week in our Picture News, we discussed the news that Big Ocean is a new K-pop band from South Korea, and all three of its members have hearing loss. They use things like vibrations, flashing lights, and sign language to help them perform music together. Even though the band can't hear the songs like most people, they work very hard to stay in time and show emotion through movement and expression. Big Ocean want to raise awareness about deaf culture and make K-pop more inclusive, by using Korean Sign Language in their performances. The children considered the question: "What can we learn from different people who communicate in different ways?"

Our 'Picture News at Home' can be found on the last page of this newsletter.

Governor Update

A meeting of the full governing body was held on the 17th June 2025. The impact of the meeting was:

- Governors received an update on music and widening opportunities for the children.
- Governors received an update on finance.
- Governors discussed wellbeing and support for senior leaders, staff and pupils.

Governors lived out the Christian vision by having the heart of the meeting centred around pupils and their individual talents being nurtured and celebrated.

Things to talk about at home ...

- What impact do you think a band like Big Ocean could have through their music?
- Where and when might we use sign language?
- What are some different ways we can communicate with others? Ask someone at home to share their thoughts.
