Headteacher's Message

I hope you had a lovely summer—we certainly can't complain about the weather! A very warm welcome to all our new families joining us this term.

As some of you may have seen on social media, Phase 1 of the building work has now been completed, including the demolition of the old classroom. The governing board is currently exploring options for redeveloping the site.

A big thank you to the PTFA for funding the refurbishment of the kitchen area. It looks amazing, and the space has been completely transformed.

Some key dates for the term have been added to the *Dates for Your Diary* section of this newsletter. Please keep an eye on it, as it will be updated regularly throughout the term.

Earlier this week, an update was sent out with various reminders, including information on uniform, jewellery and attendance.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Jeremiah 29:11

This week in our worship, we began our school year by thinking about serving by beginning the new school year positively. We talked about how the start of the school year can make some people feel a little anxious as they start a new class with a new teacher. We heard the story of Sita, who got lost in a maze at the park with her family. Luckily, a kind park keeper found them and showed them out. We talked about how we can be like the park keeper by showing service to others around school as we begin the new school year.

This week in our Picture News, we looked at the news that in a recent survey, 600 parents and 400 children, aged six and seven, were asked to name the everyday things around them that they find incredible or awe-inspiring. The list included things like sunflowers, diggers and puddles. The survey took place as part of eye care company, Specsavers', 'Wonder' campaign, which hopes to raise awareness of the importance of eye health. The children considered the question: "What do you think makes something a wonder of the world?"

Our 'Picture News at Home' can be found on the last page of this newsletter.

What do you think makes something
a wonder of the world?

Things to talk about at home ...

- Talk to someone at home about the Seven Wonders of the World. Are they familiar with them? Would you like to visit any of them? If so, which ones and why?
- Can you make a list of what you and others at home consider to be wonders of the world, or wonders of your world?
