Headteacher's Message

On Thursday, Year 4 led us in their Harvest worship. A big well done to them and thank you to the staff involved for all their hard work in helping them put it all together.

We are still collecting for Penwortham Food Bank. Any donations can either be dropped off in classes or in the main entrance.

Last night, the football team continued to represent the school at Priory. The team played well and gave it their best. They were excellent ambassadors for the school. Well done!

The parent online safety session was this week. If you missed it and would like to watch it back, the link is here: <https://drive.google.com/drive/folders/1DDUX3CKWSa1HOLKffTzJgE-M5yHbRvZB>

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'The land yields its harvest; God, our God, blesses us.'

Psalm 67:6

This week, in our worship, we heard the story of **St Kevin**, a sixth-century monk from Ireland, who serves as a powerful example of someone who didn't just take from God's Earth, but cared for it deeply. One story tells of how he protected a nesting blackbird, keeping still until all its chicks had hatched. Inspired by his compassion, we thought about how we too can care for nature and support those who don't have enough to eat. St Kevin's example reminds us that Harvest is not only a time to give thanks, but also a time to give back.

This week in our Picture News, we looked at the news that running charity, Parkrun, has announced a new project called 'Parkrun Primary'. This is bringing junior running events closer to primary schools. The aim is to give children more chances to run or walk and volunteer on week-ends in a fun, free and inclusive way. Organisers say it's not just about fitness, but also helping children build friendships, confidence, and life skills in their local community. The children considered the question: "Can sport bring people together?"

Can sport bring people closer together?

In the news this week

Running charity, parkrun, has announced a new project called parkrun primary, which is bringing junior running events closer to primary schools. The aim is to give children more chances to run or walk and volunteer on weekends in a fun, free, and inclusive way. Organisers say it's not just about fitness, but also about helping children build friendships, confidence, and life skills in their local community.

Things to talk about at home ...

- Are there any parkruns near where you live? Have you or anyone in your family taken part in one? If not, would you like to?
- What are some of the clubs or initiatives in your area that bring your local community together?
- Alongside sport, what are some ways we can spend time with others?
