Headteacher's Message

On Wednesday, Y1 led us in their Mother's Day worship. A big well done to them and thank you to Mrs Bell and Miss Binks for all their hard work in putting it together.

Next Wednesday is our Fairtrade coffee and tea stall. Fairtrade tea and coffee will be available to take away in the main entrance from 8:30am, priced at £2 per cup. Please do come along and support the children, with all money going to Fairtrade. We are incredibly grateful to the Co-Op for donating the tea and coffee for us.

Best wishes,

Mr Ian P. Ashmore

How might robots change our daily lives?

In the news this week

During China's Lunar New Year Gala, one of the world's most-watched TV shows, humanoid robots danced and performed kung-fu moves on stage. The robots could spin, jump, and move in time with music, showing how fast robotics technology is developing. Other Chinese-designed robots appeared at New Year celebrations in New York, USA. The performances have sparked global conversations about how robots might be used in future entertainment and everyday life.

Things to talk about at home ...

- > Have you ever seen a robot before? Where was it?
- > Do you think robots should be used for entertainment, work, or both?
- > What are some of the things that people can do that robots can't?
- > If you could design a robot, what would it do and why?
