Headteacher's Message

Well done once again to our children playing Tag Rugby last night at Priory. The children were excellent ambassadors again for the school. We will keep you posted on the final result.

Next week is an important week for our Y6 children, who will be sitting their SATs. An important update has gone out to Y6 parents yesterday and is pinned at the top of the Y6 SeeSaw with information about the tests.

For those of you that missed the parent/ carer online safety session, a copy of the webinar is available to view here: <https://www.knowsleyclcs.org.uk/online-safety-parent-carer-session-may-2026/>

Best wishes,

Mr Ian P. Ashmore

RAINBOW RUN ON TUESDAY 19th MAY AT 8am. SEE P6

Reflection Time

“Jesus reached out his hand and touched the man. ‘I am willing,’ he said. ‘Be clean!’ Immediately he was cleansed of his leprosy.”

Matthew 8:3

This week in worship, our theme was hope in the Bible. We heard the story of the Jesus healing the man with leprosy. In those times, people with leprosy were often left out and felt very lonely. But this man showed great courage and hope by coming to Jesus and asking for help. Jesus did something amazing—he didn't turn away. He reached out with love and compassion. This moment reminds us that Jesus brings hope to everyone. We talked about how at school, we can live of this message of hope out. Even small acts of kindness can bring big hope to others.

This week in our Picture News, we looked at the news that Sir David Attenborough, a famous naturalist and broadcaster, is celebrating his 100th birthday. For over 70 years, he has created and presented programmes that help people understand animals, nature, and the planet. His work has inspired millions of people to learn more about the world and take care of it. Many people are celebrating his life and the difference he has made. The children considered the question: Why do some people become so important to the world?"

Our 'Picture News at Home' can be found on the last page of this newsletter.

ADMISSIONS EVENING IN PRESTON

Date: Thursday 21st May 2026

Time: 7:00pm to 8:30pm

Venue: Delta Hotel by Marriott Preston,

10th May

Why do some people become so important to the world?

In the news this week

Sir David Attenborough, a famous naturalist and broadcaster, is celebrating his 100th birthday. For over 70 years, he has created and presented programmes that help people understand animals, nature, and the planet. His work has inspired millions of people to learn more about the world and take care of it. Many people are celebrating his life and the difference he has made.

Things to talk about at home ...

- > Who is someone you think is important? Why are they important?
- > What has David Attenborough done to help people understand the world?
- > How can we learn about places and animals we can't see ourselves?
- > Do you think you have to be famous to make a difference? Why?
- > Can you share something you care about and would like others to care about too?
