

A meeting of the resources committee was held on Tuesday 21st April 2026 in school. The impact of the meeting was:

- Governors discussed the financial position of the school and setting the budget for 2026/2027.
- Governors discussed the ongoing building requirements to continue improvement in energy efficiency.
- Governors discussed health and safety procedures such as lockdown/ fire drills.

Governors lived out the Christian vision by discussing a number of key points that will offer ongoing educational opportunities for all our children and continue to enhance our Christian vision.
