Headteacher's Message

Friday's PTFA Bounce Fest was a huge success. It was great to see so many of our families join us for a fun filled event. A huge thank you to the PTFA for all their hard work in organising it.

This week, our Y6 children enjoyed a joint food photography session with Laura Burgon and a bread making session with LCC catering. It was a great experience and the children had lots of fun. In age of convenience and ultra-processed food, it is important that children learn about making nutritious meals from scratch.

On Wednesday, some of our Y5 children went to Priory for a Science event. They were excellent ambassadors for the school. Well done!

Finally, an update went out yesterday about Tuesday's sports day. The weather forecast is forever changing! We will make a final decision on whether it will go ahead at playtime on Monday.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Dates for your Diary

07.07.26—Sports day (3rd reserve date)

How much should the weather influence our decisions?

In the news this week

Scientists are monitoring a climate trend called El Niño, which begins in the Pacific Ocean and can affect weather in different parts of the world. It can bring heavy rain and flooding to some countries, while others may experience very hot, dry weather. Experts are helping communities understand what might happen in their area so they can be ready, if needed.

Things to talk about at home ...

- What is your favourite type of weather and why?
- Have you or anyone at home ever had to change your plans because of the weather?
- What would you pack if you didn't know whether it would be rainy or sunny?
- Why might some people need to prepare more carefully for certain types of weather?
