Headteacher's Message

Welcome back to a new school year. I hope you had a good summer break. This week, we welcomed Mrs Korneliussen into the office role and Mr Holt to the teaching team. I know you will join me in welcoming them to our school family.

A warm welcome to our new EYFS children and the families of children, who have just joined us this week. It has been great to see and hear the learning going on around school.

On Sunday 13th September, we will be taking part in an Education Sunday service with Howick at St Mary's. Our choir will be singing. Please see p.5 for more details.

Please do keep an eye on the 'Dates for your Diary' section of the newsletter. It has been updated with some of the key dates for the autumn term.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Dates for your Diary

13.09.26—Education Sunday service at St Mary's Church with Cop Lane/ Howick at 11am (see p.5)

Reflection Time

"Be strong and courageous. Do not be afraid... for the Lord your God goes with you."

Deuteronomy 31:6

In our worship this week, we explored the theme 'Serving by approaching the new school year with confidence'. As we begin a new academic year, we reflected on how change can sometimes make us feel nervous or uncertain. Through stories from the Bible, we learned that even when things seem different, God remains with us, guiding and supporting us every step of the way. We thought about the disciples, who experienced great change in their lives but continued to trust Jesus' guidance. Just as Jesus encouraged them to follow him with faith and courage, we too are reminded to embrace new opportunities, new friendships and new learning experiences with confidence.

This week in our Picture News, we looked at the news that NASA is preparing to send a powerful new telescope into space to explore some of the universe's biggest mysteries. The Nancy Grace Roman Space Telescope will search large areas of the sky for distant planets and study galaxies, dark matter and dark energy. Scientists hope it will help us learn how the universe has changed and why it is growing faster. The children considered the question: 'Is it important to explore the unknown?'

Our 'Picture News at Home' can be found on the last page of this newsletter.

THE PLAYERS TALE

Our story began in 1994. Now, with over three decades of experience, Players is a leading Performing Arts school, delivering Players in Education sessions in twenty primary schools across Lancashire. Players focuses on nurturing creativity and confidence through high energy Acting, Singing, and Dance classes. From budding performers to those simply wanting to build confidence and communication skills, our experienced teachers create a welcoming space where every child can thrive.

THIS COURSE

This programme consists of seven one hour after school sessions, held at your school. These bespoke, dynamic workshops will explore the magic of storytelling and imaginative role play while developing key rehearsal techniques, performance skills, and collaborative working. The classes are designed to strengthen communication skills, develop artistry and enhance self belief leading to a performance of **“Toy Story Tales”** on the final week.

We have limited availability on this very popular course. Reserve your place now by completing the link below or scan the QR code. The cost of the full course is £63.00. (Payment details given upon sign up.)

TAKEHOME

31st August
- 6th September

Is it important
to explore the
unknown?

In the news this week

NASA is preparing to send a powerful new telescope into space to explore some of the universe's biggest mysteries. The Nancy Grace Roman Space Telescope will search large areas of the sky for distant planets and study galaxies, dark matter and dark energy. Scientists hope it will help us learn how the universe has changed and why it is growing faster.

Things to talk about at home ...

- > Are you interested in space?
- > Why do you think some people are fascinated by space and the wider universe?
- > What mystery about space would you most like to know the answer to?
- > Have you ever discovered something because you asked a good question?
