Headteacher's Message

It's been great to see our new EYFS children settling into school life. A special mention to Year 6, who have been brilliant buddies helping them settle into school life.

Don't forget we are taking part in an Education Sunday service at St Mary's Church on Sunday with Howick. The service starts at 11am. It would be lovely to see our children and families there. All are welcome! Full details can be found on p.5 of this newsletter.

We've had some complaints from our neighbours/ parents about dangerous parking on the roads near school. Please do not park on double yellow lines or over drive ways. Thank you for your cooperation in this matter.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

"Serve one another humbly in love."

Galatians 5:13

In our worship this week, we focused on the story of the paralysed man whose friends carried him to Jesus. We reflected on how those friends didn't just say they cared, they showed it through their actions. Their determination, kindness and willingness to serve helped their friend when he needed it most. The story reminds us that service is often found in simple acts of care: helping a classmate, including someone in a game, encouraging a friend who is feeling sad, or lending a hand without being asked. Jesus also demonstrated true service through His love, compassion and healing, showing us how to put others first. We talked about serving others with kindness, generosity and love.

This week in our Picture News, we looked at the news that between 2nd and 6th September, more than 100 of the world's best cyclists competed in the Tour of Britain Men. The five-day race began in Lincoln and travelled through Lincolnshire and Yorkshire, before finishing in the Scottish Borders on 6th September. In the men's event, the cyclists cover nearly 900 kilometres, tackling steep hills and challenging conditions along the way. Thousands have been gathering along the route to watch and cheer the riders on. The children considered the question: 'What keeps us going when things get tough?'

Governor Update

A meeting of the resources committee was held on Tuesday 8th September 2026 in school. The impact of the meeting was:

- Governors received an update on the school budget and the financial position of the school.
- Governors received an update on the roofing works/ solar panel installation.
- Governors discussed Benedict's Law and the school's approach to allergies.

Governors lived out the Christian vision by reviewing and discussing some of the key areas of the school to improve the provision we have for all our children to enhance our Christian vision.

Things to talk about at home ...

- > Can you think of a time when something felt difficult, but you kept going?
- > What helped you to persevere?
- > Who encourages you when you face a challenge?
- > When might taking a break or asking for help be the best next step?
