This policy links to the safeguarding and health and safety policy.

Authorisation

Individuals who would like to visit the school, but are not in contact with a member of staff regarding this, will arrange their visit through the school office, who can be contacted on 01772 743131.

The office will record the date and time of the proposed visit, reason for the visit, name of the visitor(s), and the name of the organisation they are from where applicable.

Where possible, visitors should arrange visits in advance. The school reserves the right to accept visits at shorter notice where appropriate

Teachers, or other staff members, arranging visitors to the school for educational purposes will collate all the above required information and pass this on to the school office for the headteacher's authorisation.

Visitors who arrive at the school without a prior appointment may be permitted to meet with the headteacher/other staff members where these members of the school staff are happy to do so. The visitor will not be allowed into the school without the supervision of a teacher, member of school office staff or member of the SLT.

Parents are discouraged from visiting the school during school hours unless for a school event or emergency.

Safeguarding

The school is committed to promoting the safety of all pupils and may require visitors to undertake a DBS check depending on the purpose of their visit.

Prior to arranging a visit, the headteacher will ensure careful consideration is given to the suitability of the person or organisation. This will include an assessment of:

- The educational value of the visit.
- The age appropriateness of what is going to be delivered.
- Whether relevant checks will be required.
- Whether the visit could bring the school into disrepute.
- How compatible the visit is with the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

The suitability of potential speakers and agencies will be scrutinised in line with Prevent guidance.

A visitor will require an enhanced DBS check with children's barred list information if they will be undertaking 'regulated activity' at the school.

For visitors at the school in a professional capacity, the school will check their ID upon arrival and receive assurance that the visitor has had the appropriate DBS check. The school will not ask to see the DBS certificate in these circumstances.

The DSL and headteacher will be responsible for determining whether DBS checks need to be carried out and ensuring that they are undertaken, where required.

The headteacher will use their professional judgement to determine whether a visitor should be escorted or supervised while on school premises.

Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with pupils. The school will manage the risk of potential harm to pupils by taking steps to segregate pupils from visitors.

The school will adhere to guidance outlined in Prevent at all times when managing the risk of potential harm to pupils from visitors.

Visitors receive safeguarding information on arrival, including the identity of the DSLs and procedures for reporting concerns
